Summer '21

learn to sing, play and compose

program information

OBJECTIVE

The Program is designed to create the complete musician. It's about bringing out the creative instinct, discovering playing talent and building stage confidence in music learners.

Participants are trained in vocals, in instrument (keyboards or guitar) playing and in the art of music composition.

Participants shall be assessed twice a-year based on their acquired and demonstrated skills in composition and and performance.

SCHEDULE

- 3 sessions weekly
- 10 to 12 weeks each term
- performance sessions extra

ELIGIBILITY

- Minimum 12 years of age.
- Admission is subject to audition.
- Those with basic playing/singing skill will be preferred.
